利用規約

Please read these terms of use carefully. By clicking the "Start trading now" button or by accessing or using the services, you agree to be legally bound by these terms of use and all terms incorporated by reference.

Summary of Terms of Use

This summary of our Terms of Use offers you an overview of the key terms that apply to your use of our website and trading services. While we hope this summary section is helpful, you should read the complete Terms of Use below since they provide important information about how our services work. Please note that we refer to our online service where you can execute trades as "KuCoin".

Our Services

KuCoin provides you with a simple and convenient way to trade one type of digital asset for another type of digital asset. KuCoin provides you with a platform that matches your trades with open orders from other users of our services at your direction. Users are not able to predetermine a trade with a particular user or with a particular account. Additionally, an order may be partially filled or may be filled by multiple matching orders.
